

# CAC CAMPING WEEKEND

July 2 to July 5, 2010

Pine Crest Camp Resort

Cook's Forest, PA

CAC goes camping this year at a new place near **Cook's Forest**: Pine Crest Camp Resort. They offer canoes, river tubing, mini-golf, go-karts, bumper boats, horseback riding, and various fun events. But if all that still isn't enough to do, the camp is right in Cook's Forest! See their website at <http://users.penn.com/~pinecrest.html>. The camp does not rent bikes, so bring your own.

CAC is renting a group camp area, where we can set up several tents. Tent campers will bring their own food and camping gear (unless you prefer to hunt for your grub). We will have extra tent space if you don't have a tent. We have room for lots of tent campers, and for 6 cabin dwellers.

## HERE ARE THE PRICES:

**Tent Camping:** We have reserved the site for 3 nights: Friday night through Monday. We can check out Monday at any time. \$23 per member covers 3 nights. \$33 for Nonmembers. The various activities, like tubing, canoeing, and mini golf are extra. Be advised that anyone who wants to come for the day and visit us at the campground can do so for free. And you can join us for canoeing and tubing as well. Food and beverages are your own responsibility. We will provide campfire snacks.

**Cabin:** For the tent-shy campers, we reserved the Sunset Cabin for ladies only, for Friday night through Monday noon. Price of \$100 per member covers all 3 nights. (\$120 for Nonmembers.) First come, first serve. Cabin has 2 bedrooms which collectively have 3 double beds and 2 single beds. There is also a couch. So 6 people can stay comfortably! Cabins are equipped with fireplaces, full kitchen, shower, and TV. **Bring your own towels.**

DEADLINE is June 24<sup>th</sup>. Don't delay! Questions? Call Mike Kernan at (412) 766-0582, or email to [mkernan@planthealthcare.com](mailto:mkernan@planthealthcare.com).
