

**CAC Camping Weekend
July 1 to July 4, 2011
Folly's End Campground
Girard, PA (near Presque Isle)**

CAC goes camping this year at a new place near Lake Erie: Folly's End Campground. Folly's End is a family campground "offering isolation in a scenic setting" The camp is situated alongside Elk Creek, Pennsylvania's largest Lake Erie tributary, and is down about 100 feet in the creek gorge. They offer an abundance of natural beauty including 2 waterfalls and a challenging 1.5 mile loop hiking trail. They are 11 miles from Presque Isle State Park, where you can go to the beach or rent kayaks for lake boating or even power boats, if you prefer. The camp has a swimming hole in Elk Creek with a maximum 6-ft depth that is perfect for outdoor fun. They also have steelhead fishing or fly fishing. For those who like amusements, there is Waldemeer Amusement and Water Park nearby. For history buffs, you can board the sailing brig Niagara, which is also nearby. It will be loads and loads of exhilarating fun for a mere \$35. That's a steal in anybody's book. In fact, if word gets out about this price, I am likely to get arrested, so don't rat me out.

CAC is renting a group camp area, where there is room for about 10 tents. Campers will bring their own food and camping gear. We will have extra tent space if you don't have a tent. We have room for lots of tent campers. Folly's End Campground is clean and accommodating. The address is Folly's End Campground, 8600 Avonia Road, Rt. 98, Girard, PA 16417. Check out their website at www.follysend.com.

Here are the prices:

Tent Camping: \$35 per member covers all 3 nights. \$45 for Nonmembers. Food and beverages are your own responsibility. We will provide campfire snacks.

Cabins: Sorry, but no cabins this year. But you can stay at hotels in the Erie or Girard area.

DEADLINE is June 24th. Don't delay! Questions? Call Mike Kernan at (412) 766-0582.
Complaints? Don't call.
